

VOLUNTEERS INSURANCE SERVICE (VIS®) INSURANCE PROGRAM

It doesn't happen often, but when it does, the results can be serious...a volunteer is injured, or injures someone else, while performing his or her volunteer duties. One of the benefits of volunteering for this organization is that you are provided insurance protection in case these things happen to you. There are three kinds of coverage; check with your volunteer coordinator to see which coverages your organization has chosen to provide to you.

SUMMARY OF COVERAGES

I. Excess Accident Medical Coverage

This coverage is in excess of Medicare, Medicaid, and any other insurance that you have in place. The excess accident medical coverage will pay up to \$25,000 for medical treatment, hospitalization and licensed nursing care required as the result of a covered accident. The insurance applies while you are traveling directly to and from, and while you are participating in, volunteer-related activities. **Initial medical expenses must be incurred within 60 days of the accident. Expenses are then covered for a one-year period following the accident.**

Other than X-rays, dental care is covered up to \$500 per tooth for accidental injury to teeth and repair of dentures. Maximum benefit is \$900 per accident.

This coverage also provides up to \$50 for repair or replacement of eyeglass frames and up to \$50 for repair or replacement of eyeglass prescription lenses damaged as a result of a covered accident.

The maximum payment under this coverage, including dental and eyeglass expenses, is \$25,000.

This insurance does not duplicate benefits payable under Medicare or any other valid and collectible insurance coverage.

Accidental Death and Dismemberment Coverage
In addition to the accident medical coverage, the underwriter will pay benefits for death or loss of limb or sight, occurring within one year as a result of a covered accident.

Exclusions to Accident Insurance
A complete listing of the exclusions is detailed in the insurance policy.

II. Excess Volunteer Liability Insurance

All registered volunteers (collectively) of an organization are provided with excess volunteer liability insurance at a limit of \$1,000,000 per occurrence (subject to an annual aggregate for each named organization.) This policy provides protection if you are liable for bodily injury or property damage arising out of the performance of your duties. **This coverage is in excess of and noncontributing with any other valid and collectible insurance you may have.**

A complete listing of the exclusions is included in the insurance policy details.

III. Excess Automobile Liability Insurance

This coverage provides an extra layer of protection for you as a registered volunteer driver while performing your duties. This insurance applies only after your own insurance is exhausted, or the policy's retention has been exceeded. You are protected for bodily injury or property damage claims arising out of your activities (including driving directly between your home and your workstation.)

The liability policy is written at a combined single limit (including both bodily injury and property damage) of \$500,000 each accident. This insurance is in excess of the greater of:

- A. \$50,000 each accident
- B. an amount equal to the applicable limits of liability of any other collectible insurance; or
- C. an amount equal to the minimum limit of liability required under the motor vehicle financial responsibilities laws of the state in which the accident occurs.

It is important to remember that you must maintain your own auto liability coverage at least equal to the state-required minimums. Also, please remember that this coverage does not apply to any damage to your vehicle.
